

The Exeter Fire Department Museum is opening soon. Our new summer hours are 12:00 to 4:00 on the first and third Saturday of the month. The museum houses a collection of original fire apparatus from the 1800's, motorized equipment from the late 1920's and 1940's, photo's, and tools.

Please stop by and see an important part of Exeter's history at 30 Court Street.
